2/8

12) The Town Planning Committee suggested that all plans of buildings submitted to the Municipality for granting licenses should be prepared by qualified practitioners who should be licensed by the Municipality

13) It was considered that the Mr Cam Bangalore & the President Municipality might be consulted as to whether the proposal of the Town Planning Committee may be given effect to and that the other points need not be brought up in connection for the present

Para 12 of the notes in the ref'd

14) The President of the Municipality stated that there is already provision in the bye-laws of the rules for the Municipal Draftsman preparing plans

Plans for building licenses being prepared by qualified Draftsmen

Serial No

When required by the public and that the scheme of licensing would be inconvenient, as competent persons may not apply for license

15) The Mun' Council, Bangalore, have prepared draft bylaws for licensing Surveyors &c. and it is proposed to require every plan presented to the Mcty for a building license to be prepared by a person duly licensed on this behalf by the Mcty, and to prescribe the qualifications to be possessed by persons applying for such licenses. The draft bylaws are under review in the Mcty on the lines suggested in this Office letter No L 9121-B of 29 6

16) The point for orders now is whether any further action should be taken on the suggestion of the Chief Engineer referred to in para 4 supra. The Bangalore City Mcty is already taking action as stated above, and an extract of the suggestion may be sent to the Mun' Council, in that connection. The President Mysore City Mcty, may also be addressed in the matter by asking them to reconsider their resolution of 28 10 1931 referred to already. This perhaps unnecessarily saddles the Motor Rules for the present

Sir,

In continuation of this office letter No. C6-4820/34-35 dated 23rd Februaey 1935, I have the honor to state that the notice calling for objections regarding the by-laws framed by the Municipality under section 51 (1) (2) of the City Municipalities Regulation was published in the local news-papers and in reply only one person, Mr. A. T. Acharya, 179, Visvesvarapuram has sent in his objections.

A memo to this effect was placed before the Council together with the objection of Mr. A. T. Acharya at their meeting held on 15th April 1935 and it was resolved that further proceedings in respect of the draft by-laws be dropped.

Copies of the by-laws and the notice of publication of the by-laws, and the Council resolution dated 15th April 1935 together with the objection petition of Mr. A. T. Acharya are enclosed for the information of Government.

I have the honor to be,
Sir,

In supercession of G.O.No. 4537-8/ ML. 48-15-18 dated 12-2-1918 By-laws framed under section 51 (1)(z) of the Mysore City Municipalities Regulation VII of 1933 for licensing Surveyors Etc., in the Bangalore City.

---

1. Every plan required to be furnished to the Municipality under by-law No.2 of the building by-laws shall be prepared by a person who has obtained a license in this behalf from the Municipal Commissioner; provided that in the case of buildings estimated to cost more than Rs-5000/- such plan shall be prepared by the holder of such a license who is a graduate in the Civil Engineering of any Indian or British University.

2. No person shall be licensed under these by-laws unless he possessed one of the following qualifications;

(a) A degree in Civil Engineering of any Indian or British University.

(b) Diploma in Civil Engineering from any institution recognised by the Mysore Government and has undergone practical training by working under a qualified Civil Engineer for not less than two years or has had practical experience for a like period.

3. A fee of Rs.2/- shall be charged for every license granted under these by-laws.

4. Every license granted under these by-laws shall expire at the end of the official year during or for which it is granted. A fresh license may be granted by the Municipal Commissioner thereafter on the application of the licensee and on payment of the license fee of Rs.2/-

5. Applications for licenses or fresh licenses under these

these by-laws shall be made in the following form to the Municipal Commissioner and shall contain the following particulars;-

Form of application.

Application for license to prepare plans of buildings as required in the By-laws framed under Section 51 (1) (z) of the Mysore City Municipalities Regulation VII of 1933.

1. Applicant's name in full.
2. Age.
3. Father's name.
4. Place of residence or business in the City.
5. Qualifications.
6. Whether the applicant has previously held a license and if so when.

I have read and understood the by-laws framed under Section 51 (1) (z) and bind myself to abide by them in the preparation of building plans.

Dated ----------

Signature and address of the applicant.

6. The Municipal Commissioner may refuse to grant a license or a fresh license under these by-laws on the ground of the applicant's incompetency or mis-conduct or for any other sufficient reason.

Explanation;-- Any infringement of these by-laws or of the conditions of the license shall be deemed to be misconduct within the meaning of this by-law.

7. Every license granted hereunder shall be in the form shown in the Schedule hereunto. The conditions to be specified in the license in accordance with the said form shall be deemed to be a part of these by-laws.

8. A license granted under these by-laws may be revoked when any of these by-laws or conditions of the license are infringed by the holder of the license.

9. An appeal shall lie to the Council from an order refusing to grant a license or revoking a license.

10. Any person infringing these by-laws shall be liable to be puhished with a fine not exceeding Rs-25/-.

SCHEDULE

Under the by-laws framed under Section 51 (1) (z) of the Mysore City Municipalities Regulation VII of 1933

Mr. .. ..
Address. .. ..
is hereby licensed for the year ..... to prepare plans required under Section 115 of the said Regulation subject to the following conditions.

1. Plans shall be prepared on drawing paper or tracing cloth and shall be inked and signed by him.

2. The licensee shall provide himself with a copy of building by-laws in force and prepare plans in conformity therewith.

3. He shall maintain a register of plans submitted by him to the Municipality for building licenses showing the fee charged in each case and whether the plan was accepted or not.

4. The register shall be produced for the inspection of the Municipal Commissioner or any officer deputed by him whenever required.

Note:-- This license will expire on 30th June 19--

Copy

Municipal Commissioner.

Letter dated 11-3-35 from A. T. Acharya, Esq., No. 192 Visvesvarapuram, to the Commissioner, City Municipality, Bangalore.

Re your notification calling for objections in passing and amending the Regulation re preparing designs and estimates for building constructions.

I wish to remark that the above amendment if passed will be solely and indirectly in support of the Engineering Graduates thereby killing down many business concerns who have been successfully managing their business without the graduate engineers.

In this connection it will not be out of place if I make the following statement. Though I have not paased out of any public institutions either College or school, I can dare say that I am as good as a practical engineer with all theoritical calculations as any other graduate engineer, in designing estimating and execution of building works. I have been running my business for the last over 12 years after having been practically trained by a retired Executive Engineer of the Mysore P.W.D. In fact there are very many specimens of my designs which were submitted and approved by your municipality. In these days of trade depression it is not even possible to appoint a graduate engineer for my business when I am capable of doing the work of an engineer, civil, mechanical or sanitary. Under the above circumstances I am eager to know the kind of relief you would be pleased to grant to such long standing engineering concerns. An early reply will greatly oblige.

Thanking you much in anticipation.
